## **Rivendita Tabacchi, via Rebuffone**

### **MAN**

man  
your name is woman  
meat of the soul  
soul of the meat  
sun and storm  
rain and dew  
kaleidoscope of the emotions  
eye of the cyclone

## **Ristorante Santa Giulia, Via Amba d'oro**

### **THE LIGHTS OF "VIA RAGAZZONI"**

walking  
among dream... and dream  
I cover my way

behind of my  
like shade disappears  
my vanishing past

in front of my  
born from the light  
my shade precedes me  
and reaches its house
